New York 17, N. Y.

Dear Mr. Dunn:

Thank you very much for your letter of 9 February inviting me to participate in your Career Conference Panel on Government Service on 1 March.

Much as I would like to join you, I have a previous engagement of long standing on that date and, therefore, must regretfully decline your kind invitation. However, I would like to suggest that Lyman Kirkpatrick, our Inspector General, represent the Agency on this particular occasion. Mr. Kirkpatrick, who is a member of the Class of 1938 at Princeton, was the recipient of the 1960 National Civil Service League's Career System Award, as well as the Class of 1938's Distinguished Service Award last June. He is a devoted advocate of government service, has been the Chairman of our Career Council, and has been instrumental in initiating programs for the training and development of our employees.

With kindest regards,

Sincerely,

SIGNED

Allen W. Dulles
Director

Dear Mr. Dulles:

On Wednesday afternoon, March 1 from 4:00 until 6:00 p. m., at Tower Club in Princeton, our Committee is sponsoring a Career Conference Panel on Government Service.

As you may know, Bob Goheen and the faculty at Princeton look with great enthusiasm on such panels, during which members of the Junior Class can discuss informally with distinguished alumni the various problems and challenges of the field.

Our Committee is holding seven additional panels that afternoon and evening at Princeton, and all the panelists are being invited to have dinner at one of the clubs. We have held these panels for the last two years and those alumni who have participated have enjoyed the occasion tremendously. There are no formal speeches - just comments and personal experiences.

While we realize that you are one of the busiest men in the United States, we do hope you might be able to be with us, serving as Moderator for the Government Service Panel. If, however, your schedule is such that this would be impossible, would you be able to recommend to me the name of a Princeton alumnus currently in Federal Government Service who might be able to participate? I look forward to receiving a reply from you at your earliest convenience since the Conference takes place in less than three weeks.

Very sincerely yours,

H. Ashton Dunn, Jr., '30

Chairman

Special Committee for

Junior Career Conference
